Pay is \$15 an hour. Hours are as needed Daytime or evenings (no weekends unless there is an emergency). Must be 18 or older. There are no scheduled hours, this will be as needed. Hours will vary.

Call Village Hall 309-697-0137 for more information or come in during work hours to fill out an application. Or download an application on our website: mapletonillinois.com

FIREWORKS!

Please remember your neighbors, and the pets that live with us, that are terrified of fireworks. Most of your neighbors don't mind you shooting off a display for your family and friends, but make sure you are done by a reasonable time, such as 10 pm. Also make sure you aren't shooting off M80's or bottle rockets or other illegal fireworks, as these are very dangerous and could cause damage to property or injuries to yourself or others.

WATCH OUT FOR KIDS!

School is out and kids will be riding bikes and running to their friends' houses or to the park to play. Please slow down, get off your cellphones and protect our children!

GRASS & WEEDS

There is an ordinance in the village – 2021-07-14-02 that requires grass and weeds be no more than 8" tall. The ordinance is included with this newsletter, please make sure you read and understand that if your grass and weeds are not taken care of the Village will send someone to cut it, bill you and if bill is not paid, a lien will be placed on the property.

HOLLIS TOWNSHIP SENIOR POTLUCK

July 27 from Noon to 2 PM at Mapleton Village Hall, 8524 W. Main Street, Mapleton, IL. Bring your own table service and a dish to share. Hamburgers and drinks will be provided. This is **NOT** just for residents of the Village of Mapleton. Please come out and join us! Call the hall – 697-0137 if you have any questions.

Stav after the meal for BINGO!

We would like to thank all residents who submitted the lead survey so promptly! For those of you who haven't turned it in yet, please do so as soon as possible. Over the next couple of months, we will be visiting the homes that haven't responded to inspect lines to see if they are lead. This is a requirement of the Environmental Protection Agency and must be completed!
