EXECUTIVE SESSION

Pursuant to Section 2(c)(1) of the Open Meetings Act, for purposes of discussing the employment, discipline, performance, or dismissal of specific employees of the Village, including hearing testimony on a complaint lodged against an employee of the Village for the public body to determine its validity.

There was a discussion regarding concerns that the Water Payment Clerk was not getting payments entered into the system in a timely manner. Mike suggested that it would work out better if we had someone local to do the work, that the current clerk lived here when hired, but has since moved away from the Village.

It was suggested that someone be nominated for the position and get it done.

A motion to adjourn the Executive Session was made by Mark Brining and seconded by Mike Beecham. Ayes – Mike Beecham, Mark Brining and Harvey Stidham. Nays – 0
